ATTENTION FIREARM LOAN CUSTOMER

Due to the recent changes to the Brady Handgun Violence Prevention Act, you will be required to submit to a criminal background check through federal and/or local government agencies, and successfully complete other required forms at the time you pick up your firearm(s). Your state may require you to pay a fee at the time of the background check. The fee, if imposed, is the actual cost charged to run the background check. The pawnbroker does not receive any part of this fee. Should you fail to pass the background check or successfully complete any other required documents, you will not be eligible to pick up your firearm(s).
